# WHAT IS THE FAMILY CARE SAFETY REGISTRY?

The Family Care Safety Registry (FCSR), administered by the Missouri Department of Health and Senior Services (DHSS), provides families and employers with a method to obtain background screening information. The Registry, through various state agencies, offers several resources to screen child care, long term care and mental health workers:

- State criminal history and sex offender registry records maintained by the Missouri State Highway Patrol
- Child abuse/neglect records maintained by the Missouri Department of Social Services
- The Employee Disqualification List maintained by the Missouri Department of Health and Senior Services
- The Employee Disqualification Registry maintained by the Missouri Department of Mental Health
- Child care facility licensing records maintained by the Missouri Department of Health and Senior Services
- Foster parent records maintained by the Missouri Department of Social Services

### WHO HAS TO REGISTER?

Any person hired on or after January 1, 2001, as a child care worker or elder care worker, hired on or after January 1, 2002, as a personal care worker, or hired on or after January 1, 2009, as a mental health worker, as provided in §210.906, RSMo, is required to make application for registration in the Family Care Safety Registry within fifteen (15) days of the beginning of employment. Such person who fails to submit a completed registration form to the DHSS without good cause, as determined by the department, is guilty of a class B misdemeanor. Employees and volunteers from non-state and/ or federally regulated entities are NOT REQUIRED to register with the FCSR.

# HOW DO I COMPLETE THE REGISTRATION FORM?
